For Consumers & Retailers

Products for consumers and for retailers! Shopping directly online from our website, **consumers are able to easily make their purchases, without the hassle of driving to a store and waiting in lines.** Everything you need is right at your fingertips. The retail businesses we serve are benefiting from making their purchases online by being able to restock their inventory without being dependent on their stores distributors showing up on schedule. **They keep the sales flowing, and they save on cost buying directly from us.** Also, we provide our buyers with weather proof door signs, weather proof window signs, and product displays to further drive sales of their highly profitable Big Budz CBD products, **which is a huge advantage.**

10 REASONS

to choose Big Budz CBD

ECO FRIENDLY PRACTICES

We make sure that our products are produced with the environment in mind. We work towards keeping the planet green!

ORGANIC PRODUCTS

The products we produce all stem from 100% organically cultivated hemp farms! No GMO's (genetically modified organisms) are used to produce the hemp we use!

WE PERSONALLY USE OUR PRODUCTS

Our team uses the products we produce! We love effective high quality CBD & Hemp products that work every time! Rest assured, you are getting nothing but the best!

STRONG & EFFECTIVE

Better CBD & Hemp products that bring real positive results! We only sell products that are proven to work. Check out some of the testimonials below! You will not be disappointed when you try our products for yourself.

LAB TESTED

Having our products constantly tested by a third party is one of the ways we gain our customers trust and ensure they are comfortable with the products. Each COA (Certificate of Analysis) will show you exactly what the product you are looking for contains. We want nothing but full transparency for our customers!

QUALITY PROMISE

Real positive results for our customers is why we are successful. We ensure that our products are clean, pure, and potent for the best end results.

FREE SHIPPING ON ORDERS OVER \$50

ZERO THC OPTIONS

All of our Broad Spectrum CBD products contain Zero THC. Many of our customers want the benefits of CBD without taking any THC. In our lab results, you will see that THC is non-detectable.

CONSISTENCY

Keeping the quality of our products consistent is one of the ways we earn repeat business from our customers. This is very important to us that we achieve consistent quality.

U.S.A GROWN INDUSTRIAL HEMP

The life of our products starts at the farm! All of our products originate from Industrial hemp farms here in the U.S.A. that are fully compliant with the 2018 farm bill which legalized hemp federally!

"CUSTOMERS CAN'T GET ENOUGH OF BIG BUDZ CBD"

See what people are excited about!

"I'm in my mid thirties and never taken pharmaceuticals, not even Advil. I have chronic neck pain which is causing me difficulties in my personal life and work. I took a full spectrum gel and had the first day of no pain!"

– Ben, Washington, U.S.A

"I am 24 and have not slept through the night for over 10 years and tried the softgels and had my first full night sleep!"

– Rebecca, Ohio, U.S.A
